Sir:

In response to the Notice of Allowance dated February 23, 2005, Applicants submit herewith a statement under Rule 1.312. The Notice of Allowability indicates that a certified copy of the priority document was not received by the United States Patent and Trademark Office. However, Applicants mailed the certified copy on June 12, 2002, and the PAIR web site of the PTO indicates that a certified copy of the priority application was filed on June 17, 2002. Applicants respectfully request a corrected Notice of Allowability or other indication in the file wrapper noting that the priority claim to DE 10109228.8, filed February 26, 2001 has been perfected.

Respectfully submitted,
